ASTIGMATISM.

What it is, and How Cor-
rected.

ASTIGMATISM or Irregular Vision is
one of the most common of all the re-
fractive errors. It is due to the irregu-
lar curvature of the eye. The use of
glasses of course no instrument is
sufficient to correct it, but in the hands
of a thoroughly efficient and competent
eye specialist the ophthalmometer re-
veals the exact condition of the eye in
a way that nothing else can. If your
eyes need attention have DR. J. T.
HENDRIX to put them under this won-
derful instrument. Office hours 8:30

E. L. & S. S. CONFERENCE CLOSES

The Last Meeting The Best and Most
Largely Attended.

The fourth annual conference of the
Epworth League and Sunday Schools
of the Western North Carolina Con-
ference which met here Thursday eve-
ning, came to a glorious close last
night; and most of the delegates and
visitors have returned to their respec-
tive homes. We believe that the meet-
ing has been the most pleasant and
successful in the history of the confer-
ence and that every visitor and dele-
gate returns home with renewed in-
spiration and zeal to carry on the
work of the ensuing year. While here
they have met old friends and made
many new ones and the '99 conference
at Greensboro will long remain fresh
in the memories of hosts and hostesses
and guests. Greensboro has been
pleased and benefitted by having them
and will in the future be more anxious
than ever to get the conference here.
People of all denominations have at-
tended the meetings and for all alike
the conference has been pleasant and
helpful. It has been blessed with
beautiful weather, which, as much as
anything else, has helped to make it
successful.

THE MEETINGS.

The meeting Saturday afternoon
was opened by a prayer and praise
service conducted by Rev. J. C. Rowe.
Rev. J. A. Fawcett spoke on "The
Opportunities of a Sunday school with
a Factory Population." Prof. P. P.
Claxton, superintendent of West Mar-
ket street Sunday school and one of the
most energetic and successful
superintendents in the state, delivered
a thoughtful and instructive address
on Systematic Study in the Sunday
school.

After the meeting the congregation
was invited to visit Greensboro Female
College in a body and almost the en-
tire body accepted. The young ladies
gave an enjoyable entertainment which
was followed by a reception.

The Saturday evening meeting opened
with a song service of fifteen min-
utes, after which an hour was given to
an Epworth League experience meet-
ing, led by Rev. H. M. Blair. The
meeting closed with an address by Dr.
H. M. DuBose.

The meeting yesterday morning was
"West Market street Sunday school
at Work." A large number of the
visitors attended the school. A mass
meeting was held yesterday afternoon
and Rev. Mr. Cobb, of Nashville,
Tenn., made a most interesting ad-
dress.

The closing meeting of the conference
last night was the most interesting and
instructive of the session. It was a
union meeting of the young people's
societies of different churches, con-
ducted by C. H. Ireland and both the
main auditorium and Sunday school
room of the church were packed.

Rev. C. E. Hodgins, pastor of West-
minster Presbyterian church read the
scripture lesson. Mr. Herman Jones
representing the Christian Endeavor
society of the First Presbyterian church,
spoke on "Fraternalism—Its
Results." Mr. Jones is an enthusiastic
young church worker and his talk
last night was one of the best heard
during the conference. The Christian
Endeavorers made a splendid selection
in him.

R. V. T. M. Johnson spoke on "Sub-
stitutes for Worldly Amusements,"
making an original and practical talk,
advising the use of the natural energy
of youth in church work.

Mr. Frank Brown, representing the
Baptist Young People's Union, of
West Washington Street Baptist
church, spoke on "How to Aid the
Pastor." He made a splendid talk
and if his suggestions were put into
practice all our churches would be
more successful.

L. W. Crawford, Jr., then made the
farewell address, which was a fitting
close of the conference. His words
were well chosen and his address was
one of the best heard during the con-
ference.

Altogether, we believe the last con-
ference was the most successful in its
history, and marks the beginning of a
new era in the religious work of young
people in Western North Carolina.
The Telegram, on behalf of the people
of the "City of Flowers" would re-
mind the visitors that ours is the
"Gate City of North Carolina," and
that they, one and all, will always
find a warm welcome within its bor-
ders.

County Commissioners.

The county commissioners are in a
session today. The principal work is
the drawing of a jury for the next
term of court, which, by the way, will
be of five weeks duration. The special
term, which opens on the 22d inst.,
will continue until the regular two
weeks' term.

Turned Over the Keys.

By Wire to THE TELEGRAM.

Sing Sing, N. Y., May 1—Oscar V.
Sage formally turned over the keys of
the prison today to the new warden,
Addison Johnson. After bidding fare-
well to the old employees, Sage re-
turned to his old home in the Catskills.
The officers of the prison presented
him with a gold watch chain.

WHITE WINGED PEACE NOT YET

No Important Advances From Otis
Since Saturday,

AMERICA'S GOOD INTENTIONS

Will Soon Be Realized By The
Filipinos, However, Thinks

President Schurman.

By Wire to THE TELEGRAM.

Washington, May 1.—The war de-
partment has received no important
advances from Otis since Saturday con-
cerning conditions in the Philippines.
No mention was made of the two dis-
patches received today containing the
negotiations for peace.

Otis mentions that Capt. Rockfeller,
of the Ninth Infantry, has been missing
since the 21st of April. He was mak-
ing some investigations about Calocan,
and has not been seen since that
date. Some of his personal papers were
found about two miles from Calocan.
It is feared he was captured by in-
surgents.

DEWEY'S CABLE.

Washington, May 1.—Dewey's cable
reads: "Have apparently reliable in-
formation that Capt. Gilmore and ten
of his Yorktown boat crew are prisoners
of the Filipino headquarters. Are continuing investigation."
"Dewey."

WAR SOON TO END.

Washington, May 1.—President
Schurman, of the Philippine peace
commission, cables that the overtures
of peace will likely have a propitious
result, and that the Philippines will be
soon brought to a realization of the
good intentions of this government.

LIEUT. GILMORE SAFE.

And Ten of His Fourteen Men Are
With Him.

By Wire to THE TELEGRAM.

Washington, May 1.—The navy de-
partment has information from Dewey
of the safety of Lieut. Gilmore and ten
of his fourteen men. They are prisoners
in the hands of insurgents. It is in-
ferred, therefore, that four men are
still missing and may have been killed
in the fight in which their companions
were made prisoners.

ALTOGETHER CRITICALLY ILL.

His Family Anxious About His Con-
dition.

By Wire to THE TELEGRAM.

Chicago, Ill., May 1.—It is reported
this morning that Albigel is critically
ill. Drs. Senn and O'Neil went to the
Albigel home yesterday to perform an
operation to relieve the various com-
plications of locomotor ataxia, of which
the patient is suffering. Mrs. Albigel
said his condition was causing much
anxiety.

A MOB AT ATLANTA.

Despoils Dr. Broughton's Tabernacle
And Warns Him to Leave Town.

By Wire to THE TELEGRAM.

Atlanta, May 1.—Dr. Broughton's
tabernacle was despoiled by a mob
this morning. Intense indignation
was aroused by his sermon yesterday,
bitterly denouncing the lynching of
Hose and Strickland. Notice has
been sent to Broughton to leave town
if he values his life.

Another Lynching.

By Wire to THE TELEGRAM.

Memphis, Tenn., May 1.—Willie
Seer, a negro, was taken from the jail
at Osceola, Ark., at ten o'clock Sun-
day morning and lynched by a mob of
three hundred men. He was twice
strung up before he confessed that he
burned the barn of man named Quinn.
Several barns have been burned in
the neighborhood lately and this
lynching was resolved upon. A plac-
ard was pinned to the body bearing
these words: "This is the penalty for
barn-burning." Seer's wife gave in-
formation that led to his arrest.

Returning Home.

By Wire to THE TELEGRAM.

San Francisco, May 1.—Among the
passengers brought by the transport
Sherman and Grant today are fifty-
four of the crew of the transport Indi-
an; Mrs. J. M. Baker, of Penn.; J.
J. Knight, H. W. Callor, W. E. Bal-
ston, E. Mallory, of the Tenth In-
fantry; Private Charles Pleasants, Co. D,
and Andrew Banks and Thomas Bor-
cary, of Co. I.

May Day At London.

By Cable to THE TELEGRAM.

London, May 1.—The May Day
celebrations in London are poorly at-
tended. In Hyde Park two thousand
soldiers made a demonstration, and
spears were made from five plat-
forms.

May Day Festivities.

By Cable to THE TELEGRAM.

Rome, May 1.—Most of the business
houses of Rome, Turin and Genoa are
closed today, the usual May Day
festivities being held. Crowds are
orderly.

NOTES FROM HIGH POINT.

The Local News From Our Neighbor
Briefly Told.

TELEGRAM BUREAU

HIGH POINT, N. C., May 1.

Mr. J. H. Merrill and Miss Charley
Hunter, of Greensboro, drove over
yesterday afternoon.

Miss Ethyl Harris, a delegate from
Hickory to the Epworth League Con-
vention in Greensboro, stopped over
today with Miss Cadia Barbee while
on route home.

Messrs. J. L. Sochrest and A. V.
Sapp spent yesterday in Kernersville.
Mrs. W. P. Wiley, of Richmond,
who has been visiting her son, W. H.
Wiley, returned home last night.

Five of Greensboro's popular young
men came up yesterday on their wheels
and returned last night on No. 12.

We regret to note the serious illness
of Miss Eva Thurston.

A. J. Rickett went down to Salisbury
Saturday night and brought his wife
back with him yesterday morning.

Mrs. Rickett has been in the White-
head-Long Sanitarium for six weeks.
Her many friends here will be glad to
know that she is back again.

Miss Jennie May Bouldin, who has
so successfully managed the school at
Archdale for the past year requests us
to announce that the school entertain-
ment will be Wednesday night, May
3rd. The Archdale Band will furnish
music. Everyone invited.

A young man came here yesterday
from Greensboro on a bicycle and
rode along the railroad up to the
depot, and was "pulled" by a
policeman and made to pay a fine of
\$1.00 for riding on the flat between
Main street crossing and the depot,
and yes, the city has no notice posted
there notifying people that riding there
is prohibited, therefore, the young
man did not knowingly violate the
law, and the authorities should be
made to disgorge. It is a shame to
make such advantage of a stranger.

BEAUTIFUL ARBOR DAY

Appropriately Observed by the Stu-
dents at the Normal.

Today, May 1, is Arbor Day, and
the occasion is being appropriately
observed by the students of the State
Normal and Industrial College. The
young ladies marched out at 7 o'clock
this morning, and with much pomp
and ceremony planted a tree in the
campus. The sophomore and fresh-
man classes were present, but did not
take official part in the ceremonies.
The line of hundreds of beautiful
young ladies, handsomely dressed,
made a pleasing array, and the plant-
ing of the tree was a most enjoyable
occasion. Tonight the young ladies
will give an appropriate entertain-
ment. The stage will be lavishly de-
corated with foliage and other sug-
gestions of the season.

FREE RURAL MAIL DELIVERY

The First Experiment to Be Made
in South Carolina.

FRUIT FESTIVAL TO BE GIVEN

By the North Carolina Society At
Washington—Greensboro Will
Take Part—Other News.

Special to THE TELEGRAM.

Washington, May 1.—It is announced
at the postoffice department that ex-
periments are about to be made in free
rural delivery. The state of South
Carolina has been selected for the first
experiment, and it is said that before
long nearly all of the star routes in
that state will be replaced by rural de-
livery. It is believed at the depart-
ment that there is no doubt but a suc-
cessful rural delivery can be estab-
lished which will prove to the advan-
tage of persons residing in the country
districts. South Carolina is selected
for the first test for the reason that it
is desired to make the first experiment
in a state which has a large rural popu-
lation. If the experiments prove suc-
cessful the postoffice department
will extend the service to Georgia,
Mississippi, North Carolina,
Virginia, and other southern as well
as western states.

For some time Congressman Stokes,
of South Carolina, has been pushing
the agitation for free rural delivery,
and the action of the department in
putting the system into operation first
in South Carolina is due largely to
his efforts to have some system intro-
duced.

Free rural delivery has been in op-
eration for some time in a number of
country districts, but at the postoffice
department it is said that this is the
first time it has been proposed to re-
place the star route system by that of
rural delivery, and the experiment for
this reason is being watched with
much interest by the postoffice depart-
ment officials. If it proves to be a
success, it is not unlikely that the sys-
tem will be extended and modified
until the country districts and sparsely
settled communities will enjoy al-
most if not equally as good postal
facilities as will the cities and towns
of the country.

The North Carolina society of this
city will give a fruit fair and festival
on the evening of the 19th of May. A
number of crates of choice berries
and fruits will reach the city on the
morning of the 19th. Newberry, Kin-
ston, Goldsboro, Greensboro and other
points in North Carolina are expected
to take part in the festival. The exhi-
bition is designed for the purpose of
drawing public attention to the excel-
lence in climate, soil and transporta-
tion facilities afforded in eastern
North Carolina for the growth and
marketing of early fruits and vegeta-
bles and to increase the demand for
them in eastern, northern and western
markets. Among the exhibitors will
be Hon. W. L. Hill, president of the
North Carolina Fruit Growers Associa-
tion, who has kindly authorized an
exhibit in Washington of strawberries
grown in North Carolina.

In spite of the almost uniform record
of the senate in refusing to admit ap-
pointees of governors to the senate,
after the state legislatures have failed
to elect, the general opinion seems to
be that the next senate will reverse
this action, and will admit Ex-Senator
Quay. If this is done, it is likely
that senators will also be admitted
from California, and Utah and per-
haps from Delaware.

If the Governor of Delaware decides
to appoint a senator, it is said to be
very likely that he will select Judge
Gray, provided he will accept, though
it is doubtful if he would give up his
United States judgeship for a tempo-
rary appointment to the United States
senate and face, as he would, almost
sure defeat at the next session of the
legislature.

Commissioner Wilson, of the inter-
national revenue, in a letter to Col-
lectors of North Carolina, has rendered
the decision that baseball games given
by college and amateur or local
clubs are not such exhibitions as re-
quire payment of special tax. They
are distinct from baseball exhibitions
given by professional baseball clubs
as a regular business for money.

Site of postoffice at Loftis, Transyl-
vania county, has been changed one
quarter of a mile east.

Postmasters have been commission-
ed in North Carolina as follows: J. J.
Williams, Bentonville; John A. Sim-
mons, Tulip.

New postoffice has been established
at Randall, Rowan county, N. C.
Mr. W. J. Crosswell and wife, have
been in Washington for the past two
or three days, Mr. Crosswell being
here on personal business. They will
remain for several days before return-
ing to their home in Wilmington, N. C.

Notice.

All firemen in the city are requested
to meet at the steamer hall Tuesday
night, May 2, at 8 o'clock.

A. & M. VERSUS G. C.

The Raleigh Boys Victorious in Sat-
urday's Game.

A very small crowd saw A. & M.
baseball team defeat Guilford in the
prize game played on Greensboro
grounds this season. The game was
close and exciting, the A. & M. played
an errorless game.

Guilford made three hits on Sweeney
in first and second innings. He pitched
a better game in the third but retired
in favor of A. & M.'s plucky little
south-paw Pers n. Mr. Sweeney has a
good curve and lots of speed and
would undoubtedly have pitched a
winning game if he had pitched the
full game.

When Person entered the box the
score stood 6 to 4 against him, but by
steady pitching and good support won
the game.

Fox pitched the best game he has
pitched for Guilford this season, but
didn't have very good support. The
Fox brothers led the batting for Guil-
ford. Score—A. & M. 8, Guilford 7.
Umpire, J. T. Bennett.

Able Sermons Yesterday.

Visiting pastors preached at the city
churches yesterday morning as fol-
lows: Rev. Dr. J. J. Renn, West
Washington Street Baptist; Rev. H. K.
Boyer, Grace Methodist Protestant;
Rev. G. H. Detwiler, First Presbyte-
rian; Rev. H. C. Sprinkle, Spring
Garden Street Methodist; Rev. N. R.
Richardson, Proximity Methodist;
Rev. Dr. H. M. DuBose, West Market
Street Methodist; and Rev. Dr. J. H.
Weaver, Centenary. All the sermons
were very highly complimented. It is
estimated that more people attended
church in Greensboro yesterday than
on any recent Sabbath. The congrega-
tions at all the churches were unusu-
ally large.

The Municipal Election.

Greensboro is enlivened today by the city election and although both sides are working hard, the day has been quiet. Presuming to profit by the division of the democrats, the republicans met Saturday night and "put out" a ticket. Several of the republican aldermen "nominees" have issued circulars refusing to serve if elected. The voting has been unusually heavy as very little interest has been manifested in Greensboro's city elections in recent years. G. Sam Bradshaw is republican nominee for mayor.

A Prompt Answer.

Saturday afternoon as a crowd of hands were tugging at the rope which was stretching the telephone cable in front of the McAdoo, the attention of a rural pedestrian was drawn to the scene, and stopping on the sidewalk he gazed into the elements in open-mouthed curiosity. After watching the performance for a considerable time, his wonder was not abated, and he inquired of a passer-by what the men were doing. The pedestrian paused long enough to reply that they were pulling an iron out of the furnace at the Steel and Iron Works, it being "too hot for them to get any closer."

The rustic gentleman fainted, and the interrupted stranger moved on.
